

## SELF-REFLECTION

In order to get a better idea of what kind of tattoo you want or what you can imagine to get I kindly asked you to answer a few elementary questions regarding your tattoo.

∴  
.

- What is the reason you want to get a tattoo?
- Why exactly do you want to work with me as an artist?
- How did you get in touch with my work?
- What personal process are you in right now?  
What is currently present in your life?
- Give me 3 - 5 words that describe the essence of your process and the intention of your Soul Tattoo. What do you need right now?

## SELF-REFLECTION

- What thoughts / ideas do you have regarding your tattoo? Which of your own ideas have you already collected?

- Which kind of style do you like?

Do you like playful, flowery or ornamental shapes or do you prefer more minimalistic, straightforward and simple designs.

Do you prefer round or angular shapes?

Do you imagine a compact or an elongated symbol?

Look for pictures you like on my pages. Try to feel into it, go deep into yourself and describe your taste as simple as possible.

- Where on your body can you imagine to get the tattoo?

- How about your time - How much money can you afford to spend on your tattoo?

## SELF-REFLECTION

To be able to support your process in the best way possible,  
please answer the following questions in an  
honest and truthful way.

There is no right or wrong.

I invite you to show all that you are ...  
you can be completely OPEN with me.

∴  
.

- Do you make decisions intuitively or do you like to take your time to make important decisions?
- Do you make decisions by yourself or do you exchange ideas with people you are close with to come closer to what you want?
- Is it easy for you to feel into yourself and share your feelings and thoughts with others?
